CONSTRUCTION / DESIGN / CRAFT

DREAM VILLA / ANTALYA, TÜRKİYE

E-CATALOGUE / SELECTED WORKS

OUR EXPERTISE

Built with purpose. Finished with artistry.

01

Construction

Complete residential and commercial construction, connecting structural works, building services and carefully coordinated finishes.

02

Project management

Oversight of programme, contractors, materials and quality, with staged progress coordination and clear attention to handover.

03

Artistic building elevations

Tailor-made modern and classical facades in reconstituted stone, from columns and cornices to distinctive sculptural detailing.

04

Interior decoration

Considered combinations of MDF, reconstituted stone, brass and selected plexiglass, complemented by bespoke furniture and wall panels.

Turnkey delivery

All of the above, brought together. A connected path from the initial brief and design to construction, interiors and final handover.
